WORK ON NEW FIRE TRUCK PROCEEDING

The regular monthly dinner meeting of the Sidney Businessmen's Association took place in the Sidney Hotel on Thursday evening, March 1, Hugh J. McIntyre presiding.

FIRE PROTECTION

Following dinner considerable interest was manifested in the report of George Gray, fire protection committee chairman, who told of the progress now being made on the new fire truck since the hold up in securing priorities for sheet metal. The sheet metal arrived some time ago and has been paid for and a number of minor bills in connection with the work on the truck have also been paid and still there is a nice balance in the bank to carry on the necessary welding, etc. It is hoped that funds keep coming in as well as recently when several citizens have contributed nice amounts. The honorary treasurer of the fire fund always endeavors to keep a little nest egg in the bank for emergencies and does not like to part with the last dollar in construction work. The proposition of constructing a room adjoining the fire hall for sleeping quarters for one or more of the members of the fire brigade was again talked of, and while the idea is excellent, it would require approximately \$400 to do this and it is felt that first the equipment should be put in first class shape and later, if funds can be raised, the room built. Incidentally, while members were lauding the good work of the fire brigade boys a fire had broken out from the dump on the waterfront, not far distant, and swept across vacant property in dry grass and threatened the home of G. A. Cochran's and other dwellings in the vicinity. It required some 2,000 feet of hose and several streams of water to subdue the blaze. Mr. Cochran on leaving the meeting was surprised to find firemen gathering up hose near his home. Members of the businessmen had not heard the fire alarm as Samuel Roberts was explaining a technical point at the time and the concentration on Mr. Roberts' words excluded outside sounds!

DUMP
The president reported that P. N. Wright, chairman of the public dump committee, had during the afternoon met representatives of the R.C.A.F., R.A.P. and Army regarding the use of the dump. An agreement was reached whereby dumping is permitted by the keeping of the dump in a tidy manner, a man being posted daily to see that dumping is done properly. In this connection citizens using the dump are requested not to bring material after three o'clock in the afternoon, thus allowing for a proper clean-up of same before five p.m. daily. A bull-dozer is to be sent down to improve the entrance to the dump and push huge accumulations over the brink. A system of filling will be extended to reach the sea and daily burning will be carried out to reduce cans, etc.

THE FUTURE
The theme of after-the-war development was next in order and it was generally agreed that three very necessary items were needed for Sidney and district to make the best of the future, namely a breakwater, cheap power and water. It is felt that future development of Sidney and district will be in relation to the big airport and that industries will be more or less in connection with the airport. Great developments are looked for in

Ganges Knitting Club Carry On Good Work

GANGES, March 10.—A meeting of the Ganges Knitting Club was held last Tuesday afternoon in the Log Cabin, with the president, Mrs. Ross Young, in the chair.

All completed work was brought in and parcels containing socks, cigarettes, razor blades and gum were made up and later dispatched to the 22 local boys of the 16th Canadian Scottish in England.

It was arranged to hold the next meeting at the Log Cabin on Tuesday afternoon, April 20, when a small miscellaneous sale will be held to raise funds for wool.

Gas Ration Books Issued In Sidney

Secured your gasoline licence and ration coupon book? Motorists in Sidney and district may receive theirs at the police office on First Street, Sidney. This will no doubt prove very popular with local motorists, in the saving of gas, tires and time and not being obliged to make a trip to the city.

All special category applications must be made to the Oil Controller, 815 West Hastings Street, Vancouver, but you must first secure your regular AA licence.

DOG LICENCE

Have you your dog licence? The police have intimated to the Review that they are about to check up on dogs in the district and if you have not already secured your 1943 licence for your pet pooch, now is the time to do so.

Special Services In St. Stephen's Church

SAANICHTON, March 10.—On the Wednesdays during Lent—March 10 to April 21 inclusive—special services will be held in St. Stephen's Church at 8 p.m. The theme of the addresses at these services will be "The Church's Answer To Human Needs," in which the rector, Rev. W. N. Turner will outline the church's teaching on the "Seven Sacraments. A cordial invitation is extended to every one to attend these services, also the regular Sunday services in the parish.

On Sundays, at both St. Stephen's Church and St. Mary's, the rector will outline in the sermon, "Six Marks Of A Christian."

Special 'After Service' Meetings Arranged

The Women's Association of St. Paul's United Church held their March meeting on Wednesday, 3rd, in the church parlor, with a good attendance. Mrs. McCulloch presided and Mrs. Menagh took the devotional service. Mrs. R. Douglas and Mrs. C. C. Cochran were ten hostesses.

Quite a lengthy discussion took place on business matters.

It was decided to serve ten to members of the services and also to the congregation every second Sunday after the evening service, in the church parlor, commencing March 7.

Arrangements were made for the weekly hostesses at the Hostess House on Tuesday of each week.

The next meeting will be held on the first Wednesday in April.

connection with aviation facilities in the commercial sphere as well as national defence.

Bills were examined and ordered paid. The finances of the association are in a healthy condition.

SPECTACULAR GRASS FIRE

Thursday evening about nine a grass and brush fire was observed near the waterfront between First Street and the sea south of Bazan Street and the fire siren sounded. The blaze was spectacular in the darkness, leaping 50 to 75 feet in the air when dense dry vegetation was devoured by the flames. It so happened that firemen were in the hall when the alarm went and no time was lost in getting to the scene. Hose was run from the hydrant in front of the Public Works office on Second Street and several streams soon checked the onrush of flames. Some 2,000 feet of hose was used in the battle and the firemen were dog tired when the fight was over. G. A. Cochran arrived from the Sidney Businessmen's meeting just as the hose was being loaded for return to the fire hall and was surprised to see how close the fire had been to his home. He promptly saw to it that the firemen were provided with refreshments.

The fire apparently started from the public dump on the waterfront. In future it is not likely that such a fire will start from there again as arrangements are now made to have a man in charge of the dump all day and everything will be kept tidy and burnings made under constant guard.

Fires are becoming a regular thing in our community, hardly a week goes by but what we have a call or two. The North Saanich Volunteer Fire Brigade is certainly an asset and is greatly appreciated by householders and owners of improvements and treed property.

Canada's Call For 35 Million Pounds Of Fats

The lives of the United Nations' soldiers, airmen and sailors mostly depend upon the speedy response to this S.O.S.

Fats and oils are the raw materials from which glycerine is produced. Glycerine is the basic and indispensable ingredient in the majority of our explosives.

If everyone in Canada saves as little as two ounces of waste cooking fat in a week, it will produce the glycerine required for the gun powder to smash Adolf, Benito and Tojo. There is enough explosive hidden in 10 pounds of waste fat to fire 49 anti-aircraft shells.

Interesting Address Heard At Ganges

GANGES, March 10.—Under the auspices of the A.Y.P.A. and attended by members of the Woman's Auxiliary and Sunday School teachers from various parts of the island, a pleasant afternoon was spent recently in the Parish Room, Ganges, when Rev. Dr. Harding-Priest, field secretary of the G.B.R.E. to the Church of England in Canada, installed the newly elected officers of the A.Y.P.A., and afterwards gave a most interesting address on the four points on which the work of the A.Y.P.A. is founded—worship, work, fellowship and edification.

Dr. Harding-Priest is well qualified to speak on this work, in the interest of which his travels take him from the east to the far north of the Dominion.

Following the address refreshments were provided by the Woman's Auxiliary, were served by members of the A.Y.P.A.

Later Dr. Harding-Priest spoke to the Sunday School teachers, to whom he gave much valuable advice and discussed with them problems dealing with difficulties arising from the diversified ages of their scholars, which range from five to 15.

At the close of the afternoon Dr. Harding-Priest received a hearty vote of thanks.

Pre-Lenten Program Held In Saint Augustine's Hall

A most successful pre-Lenten program was held in St. Augustine's Hall, Deep Cove, by the Young People's Club on Monday evening. This social evening marked suspension of the usual dances until their resumption after Easter. The wind-up party took the form of a masquerade "Hard Times" dance, easily recognized as such by the tattered, soiled and patched appearance of the various actresses. Excellent music was provided by an improvised orchestra with Mrs. Lyle, Doug Peck, Trafford Ascott and Mrs. Kent giving their valued services. Miss Dorothy Villers conducted two contests, "Name the Advertised Product" and "What Is It?" In these Winnie Lee and Helen North as partners topped the score with 19 out of a possible 20 points. In second place the following four couples scored 18 points, viz., Ted Jaycock and Betty Sparling, Edwin North and June Harrison, Betty Burnson and Jack Cruickshanks, Bruce McLellan and Donna North.

Throughout the six weeks of the Lenten season the club will continue to meet every Thursday evening at 7:30 o'clock when a devotional service will be held followed by a modified program in keeping with the spirit and purposes of Lent. All young people are welcome to attend.

On April 26, Easter Monday, a masquerade come and fancy dress dance with novelties is planned to mark the beginning of post-Lenten activities.

GORED BY A BULL

GANGES, March 10.—W. N. McDermott of Highcroft Farm, Ganges, was seriously injured last Thursday afternoon by a six-year-old Jersey bull.

As customary routine Mr. McDermott was watering the bull, when, without warning, it charged. The animal first tossed its victim several times in the air, higher than the six-foot enclosure and finally over the open gate. Before the infuriated animal could do further damage help arrived and the injured man was dragged to safety. The bull was later shot.

Dr. Dallas Perry was quickly on the scene and Mr. McDermott was rushed to The Lady Minto Gulf Islands Hospital, where he is suffering from several broken ribs, bad body bruises and abrasions.

Ganges United Church Ladies' Aid Meets

GANGES, March 10.—The regular monthly meeting of Ganges United Church Ladies' Aid Society was held on Thursday afternoon, with Mrs. J. Dewar presiding and taking the devotional period.

In the absence of Mrs. E. Parsons, secretarial duties were taken over by Mrs. W. M. Mout; the treasurer's report showed \$5.58 on hand.

Correspondence included a letter of thanks from overseas and one from a sick member, acknowledging a letter of sympathy and flowers.

Final arrangements were made for the St. Patrick's tea, to be held on Tuesday, March 16, in Ganges Inn, and for which Mrs. W. M. Mout undertook to look after the scheme of decoration for room and tables. Mrs. R. Toynbee, Mrs. J. D. Reid, Mrs. H. Noon and Mrs. H. Nobbs, were made conveners for the tea, for which there will be a nominal charge. Miss Mary Lees will take over the management of a miscellaneous stall having for sale home cooking, preserves, fruit, vegetables, etc.

Fruit and flowers were ordered to be sent to a member who is a patient in The Lady Minto Gulf Islands Hospital.

The dorcas secretary distributed the recently purchased material, to be made up by members.

Seventeen articles were received as donations towards the annual sale to be held later in the year.

Tea hostess: Mrs. Reid, assisted by Mrs. Noon.

St. Michael's Auxiliary Plan Easter Tea

ROYAL OAK, March 10.—The monthly meeting of St. Michael's Woman's Auxiliary was held in the Parish Hall on Tuesday of last week with the president, Miss K. Oldfield, in the chair.

The guest speaker for the meeting was Mrs. F. H. Brake.

The financial report was given by Mrs. J. G. Peet and the dorcas report by Mrs. M. Young.

Arrangements were made to hold a quilting bee in the near future to complete three quilts which have already been started.

All members were urged to attend the World's Day of Prayer to be held on Friday, March 12. Plans were made for an Easter tea to be held in the Parish Hall.

At the close of the meeting tea was served by Miss K. Oldfield and Mrs. F. E. Blake.

Pictures At Rest Haven A Success

Over 150 people attended the showing of the moving pictures of the bombing of London at Rest Haven recently.

The pictures were shown by G. G. Edwardson, provincial secretary of the B.C. Branch of St. John Ambulance Association.

The first picture was an excellent silent picture of modern first aid methods. The other pictures were all sound and included pictures of China's fight against the Japanese, the heroic struggle of the Russian army and civilians, and two pictures showing the bombing of London and the terrific task of the fighters and another showing the Battle of the Atlantic. All who attended considered these pictures the finest they had had seen on war conditions in these various countries.

A collection was taken and \$29.52 was received for the Lord Mayor's Fund.

R. S. Corless Delights With Lantern Slides

GANGES, March 10.—Introduced by Capt. A. M. Smith, R. S. Corless delighted a large and appreciative audience in Mahon Hall last Saturday evening, March 6, when, for the benefit of Ganges Chapter, I.O.D.E., and local Red Cross Unit, he gave a talk, accompanied by beautiful colored lantern slides, showing the wildest parts of B.C. and Alaska with their mountain ranges and floral beauty. His photos of animal life depicted moose, elk, grizzly bear, beaver, Rock Mountain sheep and goats and the lovely and almost extinct trumpeter swan.

Views of the new Alaskan Highway were shown, also of Dawson, Anchorage, White Horse and many other parts.

The sum of approximately \$50 was realized by the evening's proceedings.

Pancake Tea

Delicious pancakes were served at the pre-Lenten tea on Tuesday afternoon given by the Woman's Guild of St. Andrew's in the parlor of St. Paul's United Church by kind permission of the board.

Mrs. Baal and Mrs. Toomer made the pancakes and other members served and assisted in general.

The tables were very pretty centered with primroses.

A small sum was realized for the guild funds.

INTERESTING MEETING OF I.O.D.E. HELD

GANGES, March 10.—The regular monthly meeting of Ganges Chapter, I.O.D.E., was held last Friday afternoon in Ganges Inn, with the regent, Mrs. Dallas Perry, in the chair. In the absence of Mrs. V. C. Best, her assistant, Mrs. Harold Lees, undertook all secretarial duties.

Owing to the election of the hon. regent and hon. vice-regent being omitted at the annual meeting, the following were elected to these positions:

Hon. Regent—Mrs. W. E. Scott.
Hon. Vice-Regent—Mrs. Curtis Sampson.

Eight letters of thanks for overseas gifts were read, also, the monthly summary of the Provincial Chapter, which dealt with the subjects of opening picture shows on Sundays for service men and requesting the co-operation of I.O.D.E. with Navy League. The summary also stated that the National Chapter endorses the resolution requesting the lifting of restrictions on bus travel which inflicts hardships on service men on furlough.

Mrs. Graham Shove was re-elected Navy League convener and Mrs. B. G. Wolfe-Merton reported on the recent bridge afternoon which, including \$10 realized by a contest, donations, etc., netted \$48.75 for Polish Relief.

Mrs. Jack Abbott stated that the committee was unable to arrange a dance at present, owing to the difficulty of obtaining a suitable orchestra.

The treasurer's report showed \$152.47 in general fund and \$31.90 in war fund. The sum of \$8.40 was voted to the Provincial Chapter towards the pooling of delegates' expenses when attending the provincial annual meeting, April 14. Mrs. Perry and Mrs. Cecil Springfield will attend from Ganges Chapter.

Satisfactory reports were heard from the war work convener and sub-convener and a vote of thanks was extended to the local Red Cross for its generous donation of good warm clothing for Polish Relief.

Mrs. C. E. Baker stated that Mrs. C. H. Tranter had kindly

Dance Friday, Next Week, March 19

The Bell Boys' Orchestra will be in attendance at the dance to be held in the Agricultural Hall, Saanichton, on Friday evening, March 19, and will be prepared to deliver all the latest in dance numbers.

The dance is under the auspices of H.M.S. Endavour Chapter, I.O.D.E.

A fifteen supper will be served and dancing continue from nine to one.

Members of the services and local citizens are assured of a good time.

At The "Rex"

One of the funniest plays ever will be shown at the Rex, Sidney, Thursday, Friday and Saturday, and the Rex, Ganges, Monday, with Jack Benny in the leading role in "Charley's Aunt."

Enough said! Tuesday and Wednesday next week in Sidney will be shown "Glamor Boy" and "No Hands On The Clock."

Sidney and District Notes

The parish of North Saanich received a visit from Rev. A. H. Priest, B.A., B.D., western field secretary for Church of England Religious Education, on Tuesday afternoon, March 2. Dr. Priest addressed a gathering in St. Andrew's Church on the "Christian Education Advance Movement," after which a group of our local clergy welcomed him at the Rectory where a discussion and social time was held. Immediately after Mr. Priest left for the Salt Spring Island parish.

A booklet, "A Wartime Program for the Canadian Farmer," produced by the National War Finance Committee, in an effort to build up a better understanding in farming communities of the problems of finance and at the same time enlighten the representatives of this committee of the problems of the farmer. A copy of the booklet may be obtained from National War Finance Committee, 1227 Vancouver Block, Vancouver, B.C., or from the Review office.

John Larsen of Sidney, son of Mr. and Mrs. H. P. Larsen, R. R. 1, Olive, Alberta, is reported among the latest recruits in the R.C.A.F. Vancouver centre.

Mr. and Mrs. Hofstad and family of Fourth Street have removed this week to New Westminster to reside.

James Elander and Mrs. Taylor Lindstrom of Wadnan, Sask., and Mr. and Mrs. P. Hayes of New Westminster, B.C., were visitors to Sidney last Tuesday afternoon.

Commencing this Sunday (Mar. 14) services at St. Andrew's

Church, Sidney, will be held at 7 p.m., instead of 8 p.m., as temporarily observed. Parishioners and others are asked to please note this reversal to the customary evening hours.

The engagement is announced in New York between Hugh Wylie and Mary Buchanan, Hugh is the son of Mr. and Mrs. R. Wylie, Queen's Avenue, Sidney.

Mrs. West, Third Street, is progressing favorably after a recent appendectomy operation in Jubilee Hospital, Victoria.

LAC P. Bolster and Mrs. Bolster, whose home and contents were completely destroyed by fire recently, wish to thank the many friends and neighbors of Deep Cove and Sidney for their generous gift and they sincerely appreciate the measure of kindness extended.

J. T. Jackson of Victoria has returned home after visiting at the home of his daughter, Mrs. Norbury, Sidney.

The management of Rest Haven Hospital and Sanitarium wishes to express thanks to A. W. Aylard and Mrs. P. F. King for arranging for the new ration books for members of the staff within the institution.

The services of Mrs. J. H. Ardagh and Mrs. Currie, who undertook this work on Feb. 26th were recently appreciated. About 60 individuals availed themselves of the opportunity.

Miss Hannah and Miss Hingworth, Guide commissioners from Scotland, who are touring Canada, inspected the local Guide Company and Beavers Pack and were

very pleased with the progress of the local groups. Eight girls were enrolled by the commissioners as follows: Gertrude Brown, Audrey Pearson, LITTLE BOWKER, Shellen Bushley, Verna Jackson, Dorcas Munro, Violet Younan and May Hamard. Members of the I.O.D.E. by whom the Guides and Brownies are sponsored, met at the home of Mrs. P. F. King to greet the commissioners.

Mrs. Keller has returned to her home here.

SUN POWER BROUGHT NEARER

Dr. Charles Abbott, of the Smithsonian Institute, demonstrates the solar power machine, at the convention of the American Association for the Advancement of Science. This newest sun-harvester—the fifth in the line of solar engines constructed by Dr. Abbott—eliminates most of the serious defects of the earlier models and brings closer the era when man will be able to harness the vast energy of the sun to his work. Allies' Chapter Met Last Thursday

The March meeting of Allies' Chapter, I.O.D.E., was held at the home of Mrs. F. J. Baker on Thursday, last week, with the regent, Mrs. Johnston, in the chair.

After the reading of an appeal for Polish Relief Fund members voted to make a donation of money and to bring to the April meeting as much good used clothing as each one could collect.

The Provincial executive report was read. The salient features were resolutions passed regarding improvement of rural school standards, the inclusion of an I.O.D.E. representative on the Poppy Day fund committee, disapproval of allowing civilians to attend Sunday theatres opened to the troops, and reports between hospital convalescers of different districts. These resolutions formed the basis of much interesting discussion among the members.

A letter from Lt.-Col. Fordham, commissioner of refugee camps, giving an explanation of the presence of aliens in Canadian universities, was read.

Provincial annual meeting will be held in Vancouver on April 14, 15 and 16. Mrs. Dobbins was elected to represent the chapter.

Miss Stewart, the war convener, reported that no parcels had been forwarded since last meeting. She asked that each member either make or buy one new garment to be sent with the used clothing to Polish Relief headquarters.

Mrs. Dobbins was appointed welfare convener for the current year.

Mrs. King, the Guide convener, was unable to be present, but on her behalf the regent extended an invitation to members to be present at a Guide inspection to be held at Guide headquarters on Monday, March 8.

CANADA NEEDS 40 MILLION POUNDS OF FATS FOR EXPLOSIVES

Here is a day-to-day War Job for You!

There is a serious shortage of Fats and Bones in Canada and the only way in which this shortage can be overcome is by the day-to-day saving of every scrap of dripping, every piece of scrap fat and every bone, cooked, uncooked or dry.

Fats make glycerine and glycerine makes high explosives—explosives to bomb the Axis partners—Adolph, Benito, Tojo, sink their U-boats, destroy their tanks. Bones produce fat. Also glue for war industry.

HERE IS WHAT YOU DO

Save every kind of waste dripping. All may be mixed together. Strain through an ordinary metal strainer into a clean well-washed can. Do not use a glass or paper container. Keep in a refrigerator or a cool place until your next collection a pound or more. Save all pieces of leftover scrap fat from your meals (cooked or uncooked). Keep separate from your drippings. Keep scrap fat and bones in a cool place.

HERE IS HOW TO DISPOSE OF FATS AND BONES

The Most Dealers of Canada, as a patriotic effort, are co-operating with the Government in this all-important war work by contributing their collection facilities. Now you can dispose of your Fats and Bones in any one of the following ways:

1 YOUR MEAT DEALERS will pay you the outstanding price per pound for your fat dripping and your scrap fat. You can keep this money for yourself or—

2 YOU CAN TURN THE PROCEEDS over to your local Voluntary Salvage Committee and/or to a registered local War Charity.

3 YOU CAN DONATE your Fats and Bones to your local Voluntary Salvage Committee in any place where they collect them, or

4 YOU CAN CONTINUE to place out your fat and bones for collection by your Street Cleaning Department where such a system is in existence.

Only the RED CROSS Can Pass

With Food and Comforts for Our Prisoners of War!

BARBED WIRE and enemy guards "do not a prison make" for Canadian soldiers captured by the enemy. Their thoughts, winging across the sea, meet Red Cross parcels on their way to them.

Last year, the enemy said "pass" to 2,000,000 such parcels. They were packed with 22,000,000 pounds of food and comforts welcomed by men to whom the barest necessities have become luxuries.

But, most of all, to each prisoner every Red Cross parcel is a message from home—a definite assurance that he is not forgotten, a reminder that no captured Canadian soldier is ever marked "off strength" by the Red Cross.

Thirty percent of the money you gave to the Red Cross last year was used to provide parcels for prisoners of war. The money you give now will help to keep up and increase this flow of good cheer and hope to these lonely men.

Consult your heart... Obey its dictates... Give liberally

and granddaughter, Miss Deena Gyves, of Victoria, were recent visitors to the island, where they visited Mrs. M. Gyves and family of Burgoyne Bay Road.

There passed away in Vancouver, Feb. 20, 1943, Alfred Henry Cole, born in Pickborne March 8, 1874. He leaves to mourn his passing his widow, one daughter, Mrs. A. Pallow at Beverley Hotel, Victoria, one grandson and two brothers in England.

Howard Carlin and Bob Akerman were visitors to Victoria on Saturday for the day.

There are several cases of flu on the island, in many cases one or more of a family are down with it.

Mrs. H. F. Pollok entertained a few friends to tea at Beaver Point recently in honor of Captain and Mrs. Oswald Moseley, who have recently purchased the "Lyonesse"

property, and as a farewell party to a few of her friends, before leaving for Kokisilah, V.I. Among those present were Mrs. M. Bryant, Mrs. E. Tassell, Captain and Mrs. O. Moseley, Mr. and Mrs. W. J. Stewart, Mrs. Menhinick, Mrs. T. Hillier.

Recent guests registered at Fulford Inn include J. McNeil, Victoria; L. Cpl. D. Taylor and Cpl. M. Gletton, both of the R.A.F., Patricia Bay.

Do a good turn every day!

The regular meeting was held on Saturday evening with the Lions on duty.

An outdoor stunt was carried out with the troop divided into two parties. Silent marching was part of the practice.

An accident stunt was held with some very interesting results.

Several quick games were run by the A.S.M.

Instruction on the pathfinder's badge was given.

The following boys received their new engineer's and alman's badges: T. L. D. Hemphill, P. L. S. Skinner, W. Dignam, T. Ascott, S. Skinner, Second K. Bell, and Scouts A. John and A. Boshier. Second class badge was awarded to G. Lawrence, who also received his handyman's badge.

On Monday a number of the troop started the new Flying Lions course at the Airport through the courtesy of the R.A.F.

All members of the troop will meet next week AT 6 P.M. Bring something to do some quick cooking — also a sweater or coat.

CUB NOTES
 Both packs met on Friday evening with Doug Mounce taking the grand hawl for the Sidney Pack.

Games and star tests were carried out as well as competitions. Doug Mounce received his second star.

Next week there will be a "Going Up" ceremony. All boys are to be there.

The Deep Cove Pack met outdoors and worked on outside stunts.

"MY HUSBAND'S had a nervous breakdown — just worry. He left his job in the shipyard to go into logging. But his health suffered and the doctor says he's got to take a complete rest. But we haven't any ready money. How can he rest?"

The bank manager listened to her troubles sympathetically. He knew the husband, knew the wife—both sound citizens. The bank advanced the money on personal security . . . on the good character of two honest, hard-working people.

In a few weeks, Fred was well again and working in the shipyard. The loan was paid back in full. Because of bank accommodation he is now getting financially on his feet again—and aiding Canada's war effort.

This true story—only the name is changed—illustrates how Canada's Chartered Banks, day in and day out, serve the human as well as the financial needs of Canadians.

By banking during morning hours you can help the war effort, facilitate your own business, and lighten the wartime burden on the men and women in your branch bank. More than one-third of our experienced men have gone to war.

offered the use of her sun room at her home for carding wool.

"Echoes" secretary reported 26 subscribers.

Among the various suggestions for a money raising campaign, a tag day was considered, also the sale of primroses. It was decided to have an evening of charads on Friday, March 26, at Harbour House, under the management of Mrs. J. Mitchell, Mrs. Jack Abbott, Mrs. Donald Jenkins, Misses Shirley Wilson, Betty Kingsbury and June Mitchell. Another suggestion adopted was that of the "Patched Pocket," which Miss Anna Lees undertook to start moving.

The secretary was asked to write a letter of sympathy to Mrs. W. N. McDermott on the serious accident to her husband.

Mrs. A. R. Layard again kindly offered the use of a cottage at Rainbow Beach to airmen on week-end leave and asked members for the loan of blankets.

The work bag, made and donated for the Polish Relief by Mrs. Mitchell, was won in a contest by Mrs. V. C. Best.

After the meeting adjourned, the members heard two short addresses on Guiding given by Miss Hanna and Miss Illingworth, Guide commissioners, who spoke on the origin of the Girl Guides, their aims and objects and the splendid work accomplished by them, both in peace time and war. Hearty votes of thanks were accorded the speakers.

Tea was served, the hostesses being Mrs. H. Lees, Mrs. H. Johnson and Miss Helen Dean.

WHY DESTROY SEA-BIRDS?

Sir:—For some weeks past, we who live along the waterfront at Patricia Bay have noticed with sorrow the increasing number of wild birds being shot, presumably by the Air Force, in this district. Our beaches are strewn with dead snipe, divers and other harmless sea-birds, and a few days ago, we found our old friend, the blue crane, whom some of my readers will remember as a resident of many years at Patricia Bay, and a familiar figure on its beaches. He was lying against a beach log, his crested head and beautiful wings stretched out as if he had been brought down in full sight on one of his incredibly graceful voyages across the sunset sky.

Perhaps it may seem foolish to worry about the killing of a few birds when so much mass murder of human beings is going on; and possibly there may be some reason why these birds must be exterminated in this district; but if they are being killed solely in the name of "sport," we should like to lodge a protest against such wanton waste of life and beauty. We find it strange that those who themselves take delight in the conquest of the air, should be unwilling to allow their fellow-flyers a peaceful and uninterrupted passage.

FLORENCE B. JOHNSTON.

THANKS TO VOLUNTEERS

Sir:—The chairman and members of Local Ration Board V-3, Saanich, Sidney, Salt Spring Island, desire to thank the 250 volunteers who so ably helped distribute some 23,000 ration books during the recent campaign.

The errors were extremely few, the final count showing a shortage of 45 books which was made up largely of the omission to turn out the cards from No. 1 Book.

Ration book owners are advised to check their No. 1 Books and see that the card is turned over to the Local Board in order that the records may be kept up to date.

EMPRESS HOTEL, 12 O'CLOCK

The public is invited to attend this Centenary Luncheon commemorating Victoria's 100th Birthday. An interesting address will be given by Mr. Bruce McKelvie, and the occasion will also witness the presentation by Premier John Hart, to the City of Victoria, of a painting of Sir James Douglas.

Tickets may be secured from any member of the I.O.D.E. Sir James and Lady Douglas Chapter, and from the librarian on the Mezzanine Floor, at "The Bay."

'Phone or write! Please secure your tickets early, as the number is limited (only ticket holders will be admitted, none other will be seated at the luncheon).

TICKETS, EACH \$1.50
